Material: 5,7,or 10 mil laminate film

Description: It's easy to make hang tags to control parking when you have LamiTag on hand! Create and print your own inserts. Then feed the LamiTag and insert through a heat laminator and you're ready to display your custom hang tag.

Size: 2 3/4" w x 4 3/4" h

Shape: Rounded corners, die cut for rearview mirror.

Price Includes: 2 3/4" w x 4 3/4" h clear, non-printed, die cut laminate film set. Set consists of two sides per tag.

Imprint Method: None

Place insert in between the two sheets of laminate film.

Run hang tag through your heat laminator to seal.

Once through the laminator, you have your sealed, finished hang tag.

*Inserts and Tamper-Evident Hologram decals sold separately.
